

What is a Changemaker club?

A Changemaker Club is a learner-led school club that promotes:

- Leadership
- Active citizenship
- Teamwork
- Positive action within schools and communities.

The club forms part of the nationwide Changemaker Network, coordinated by masifunde in partnership with schools, partner organisations, and the Department of Basic Education.

Changemaker Clubs give learners opportunities to:

- identify challenges in their school or community,
- plan solutions,
- work as a team,
- implement meaningful projects.

Young people grow through trust, responsibility, and encouragement. A supportive teacher can help create a school culture where learners:

- Take initiative
- Work together
- Become positive changemakers in their communities

Start small. Stay active.

Celebrate Progress!

The Role of Changemaker Teachers

The role of the teacher is to:

- Support and guide learners,
- Help the club communicate with school management,
- Assist with approvals and accountability,
- Help create a safe and supportive environment.

Changemaker Teachers do not run or attend club meetings.

The club should remain:

- Learner-led
- Learner-driven
- Youth-centred

Teachers help secure buy-in from school management and support the sustainability of the club within the school.

Key Responsibilities of Changemaker Teachers

Support and Guidance

- Encourage learner participation and leadership
- Support learners when needed
- Help maintain positive communication and teamwork

Approval and Accountability

Teachers review and approve:

- Campaigns • Community Action Projects (CAPs)
- Fundraising initiatives • External partnerships

No activities may take place without school approval.

Communication

Changemaker Teachers act as the link between:

The club, School management and Partner organisations

Sustainability

Teachers help ensure continuity by:

- Supporting leadership transitions,
- Encouraging responsibility,
- Helping the club remain active over time.

WHAT DO CHANGEMAKERS DO?

Changemaker Clubs may:

- ▶ Run awareness campaigns
- ▶ Organize clean-up initiatives
- ▶ Support environmental activities
- ▶ Host school dialogues
- ▶ Promote anti-bullying campaigns
- ▶ Improve school spaces

Projects should always be:

- ▶ Learner-led
- ▶ Realistic
- ▶ Safe
- ▶ Beneficial to the school or community

COMMUNITY ACTION PROJECTS (CAPs)

CAPs are practical learner-led projects that respond to real challenges in schools or communities.

Examples include:

- Recycling campaigns
- School gardens
- Classroom improvement projects
- Clean-up campaigns
- Awareness events
- Kindness initiatives

Small projects often create the biggest long-term impact.
